World health forum, Volume 5 (1984)

SUBJECT INDEX

adolescents, medical care, 79
Africa, allocation of resources, 319
  psychiatric nursing, 334
allocation of resources, 65
  Africa, 319
  community health workers, 149
anaemia, screening by community health workers, 35

breast-milk policy, 37, 145, 146

cancer, industrial, prevention, 53
  lung, review, 153
cassava, linked to goitre, 170, 346
child minders, Jamaica, 136
Chimaltenango project, Guatemala, 364
China, radiological services, 85
cold chain equipment, 165
Colombia, forest dwellers, 377
community health workers, allocation of resources, 149
  Round Table, 291
  screening for anaemia, 35
  standing orders, 19, 245, 345
community participation, 123
  Philippines, 151
  water supply, 233
Comoros, drug distribution, 80
computers, for medicinal plants, 373
coronary heart disease, hypertension control, 237
  risk factors, Round Table, 5
cost analysis, Kasongo project, Zaire, 211
  primary health care, 226
cost-effectiveness, health care, 88
culture, influence on health status, 49
Cyprus, echinococcosis, 160

dental health, chewing sticks, 343
  harmful beliefs, Nigeria, 147
dental public health, 67
development, simulated by games, 42, 44
diarrhoeal diseases, Jamaica, 325
drug supply, Comoros, 80
  Gambia, 266
  Seychelles, 263
drugs, generic substitution, 329
  nonmedical use, USA, 138

echinococcosis, Cyprus, 160
emergency medical services, German Democratic Republic, 338
expatriate health workers, recycling, 150

family planning, India, 343
  Nigeria, 40
  sterilization by midwives, Thailand, 259
Finland, health centres, 24

Gambia, drug supply, 266
games, to simulate development, 42, 44
German Democratic Republic, emergency medical services, 338
goitre, cassava factor, 170, 346
Greece, mental health care, 120
Guatemala, Chimaltenango project, 364
guinea worm disease, 242

handicapped, right to life, 131
  technology for disabled, 256
"Health 2000", monitoring progress, 99
health care, cost-effectiveness, 88
  indicated by perinatal mortality, 276
  mental, Greece, 120
health centres, Finland, 24
health education, International Union, 77
health policy, short- and long-term, 247
health status, improvement in poor countries, 252
  influence of culture, 49
  Kerala, India, 46
  linked to personality, 59
health systems, administrative tasks, 126
heuristics, 354
homoepathy, 245
hospitals, mental, Somalia, 240
hypertension control, 237

immunization, as magic, 345
  cold chain equipment, 165
  improved coverage, Nigeria, 361
  sick infants, 269
India, family planning, 343
  health status in Kerala, 46
  mental health care, 346

India *(continued)*
nutrition project, 316
nutritional surveys, 168
screening for anaemia, 35
traditional medicine for pregnant women, 149
industrial cancer, prevention, 53

Jamaica, child minders, 136
diarrhoeal diseases, 325

Kasongo project, Zaire, 211
Kazakhstan, veterinary services, 72

libraries, medical, 244
literacy, 133, 236
lung cancer, review, 153

malaria treatment, for travellers, 39
manpower, administrative, 126
African, 152
medical assistants, Uganda, 231
medical personnel, occupation hazards, 273
public health engineers, Nigeria, 243
measles, eradication, 63
medical care, adolescents, 79
private practice, 195
traditional and modern, 175
traditional and modern, Nigeria, 129
medical research, 60
medicinal plants, computerized data base, 373
medicine, Judaic, 41
mental health care, Africa, 334
Greece, 120
India, 346
Somalia, 240
midwives, training, Nigeria, 342
Sudan, 216
Mongolia, review of public health, 340
monitoring progress towards "Health 2000", 99
indicators, 276

natural living, 131, 344
Nigeria, family planning, 40
harmful dental beliefs, 147
immunization coverage, 361
medical publishing, 82
standing orders for community health workers, 19, 245, 345
traditional and modern medical care, 129
training midwives, 342
training public health engineers, 243
nursing, psychiatric, Africa, 334
nutrition, diet surveys in India, 168
impact of village health workers, India, 316
planning Red Sea project, Sudan, 178
sodium requirements, 330

occupational hazards, medical personnel, 273
onchocerciasis, cost of control, 147
opinions, assessment, 354
oral rehydration, Jamaica, 325

Philippines, community participation, 151
prevention, industrial cancer, 53
primary health care, Chimaltenango project, 364
community financing, 123
cost analysis, 226
decentralized management, 27
Kasongo project, Zaire, 211
schistosomiasis measures, 221
selective or comprehensive?, 312
Zaire, 30
primary health workers, *see* community health workers, expatriate health workers, village health workers
private medical practice, Round Table, 195
public health, Mongolia, 340
publishing of medical journals, Nigeria, 82

radiological services, China, 85
risk factors, coronary heart disease, 5
Round Tables:
Community health workers: promoters or inhibitors of primary health care?, 291
Coronary risk factors: should we not forget about mass control?, 5
Could villages do better *without* their volunteer health workers?, 296
Private medical practice: obstacle to health for all, 195
Tuberculosis control in the developing world: it's time for a change, 103

salt, nutritional requirements, 330
schistosomiasis, 221
screening for anaemia, India, 35
Seychelles, drug supply, 263
smallpox, 241
Solomon Islands, handpumps, 41
Somalia, mental hospitals, 240
standing orders for community health workers, Nigeria, 19, 245, 345
sterilization, training of midwives, 259
Sudan, planning Red Sea nutrition project, 178
training illiterate midwives, 216

Thailand, sterilization by midwives, 259
traditional medicine, for pregnant women, 149
linked with modern medicine, 129, 175
training, community health generalists, 280
illiterate midwives, Sudan, 216
midwives, Nigeria, 342

training *(continued)*
midwives in sterilization, Thailand, 259
public health engineers, Nigeria, 243
tuberculosis, control measures, 103

Uganda, medical assistants, 231
universities, in developing countries, 348
role in health, 3
USA, nonmedical use of drugs, 138

veterinary services, Kazakhstan, 72
village health workers, nutrition project, 316
Round Table, 296

water supply, community participation, 233
handpumps, Solomon Islands, 41

Zaire, Kasongo project, 211
primary health care, 30
